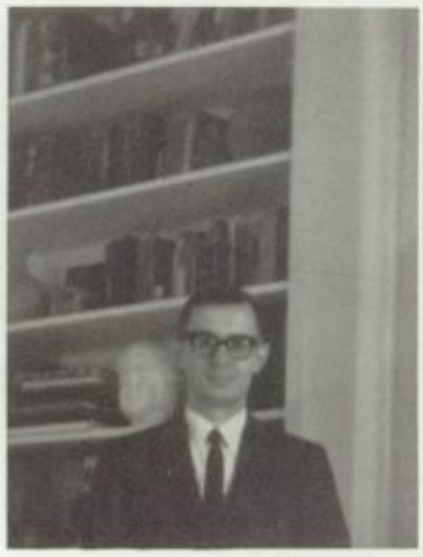
DEDICATION



We, the Millerette Staff, dedicate the 1967 Millerette to Mr. Beck, head of the English department at Millersburg.

Mr. Beck has taught at M.H.S. for four years. He won the Best Teacher Award in 1966. Mr. Beck has directed five class plays, plus three others in association with the English department.

We wish to thank Mr. Beck for all the time and energy he has given to us and wish him the best in the years to come.

It is the responsibility of the administration to coordinate resources in the formulation of education purposes, from the first grade to the senior class. The superintendent creates the conditions in which the teacher can perform to the best of his ability, while the principal works more closely with the students themselves, but the entire administration must work toward the goal of providing the best education for the community.
